

Christmas Bookings - Terms & Conditions

All December bookings require a £10 per head deposit to be paid in person or over the phone (by cash or card only) in order to secure a table. We advise that you call to check availability beforehand. Please note that only on payment of the deposit will the booking be confirmed. Paying your deposit is confirmation you have read and accepted our T&C's.

All deposit payments are non refundable or transferable regardless of circumstances. Please note that in the event of non-attendance only the deposits of all those who attend will be deducted from the bill on the day or night of the booking.

Please note we will require your guest's names and full menu choices at least 7 days before your booking, which must be supplied on our own pre-order form which can either be downloaded on our website or picked up in person.

The price of £27 per head is for 3 courses with no discount allowable if fewer are required.

We require full contact details of one party member who will be our point of contact for the reservation. If any details of the booking need to be amended, it is this person that must make them. This helps us to minimise any errors in communication that may occur with multiple contacts and ensure your booking runs as smoothly as possible.
